## WINE LIST

Aside from our bubbly, you will notice that we have chosen to feature two labels led by one man-Dave Phinney. Our decision to dedicate our wine list to Dave Phinney wine's was one that took months to finalize. After falling in love with his wine's & ethos, it was clear we had to share his story with you. After working as a temporary harvest worker, Dave set out on his own & founded Orin Swift Cellars in 1998. His abstract vision motivated him to throw out the rule book and blend wines. This was not a popular process at the time and despite overwhelming opposition and criticism, he grew Orin Swift Cellars first expression from 340 cases to over 75,000 in less than a decade. In 2010, after much frustration with AOC (appellation d'origine controlee) laws, the vision of Locations Wine began its course. Locations are from various major wine regions around the world. The wine showcases the very best of that country and pays homage to their homeland. Locations Wine's are non-vintage, non-varietal, and non-appellated. Once again, his objective was complex and out of the box. His mission of flavor over tradition, is a mindset we concur with. Enjoy.
